(a) State regulation of the business of insurance

The Act entitled “An Act to express the intent of Congress with reference to the regulation of the business of insurance” and approved March 9, 1945 (15 U.S.C. 1011 et seq.) (commonly referred to as the “McCarran-Ferguson Act”) remains the law of the United States.

(b) Mandatory insurance licensing requirements

No person shall engage in the business of insurance in a State as principal or agent unless such person is licensed as required by the appropriate insurance regulator of such State in accordance with the relevant State insurance law, subject to subsections (c), (d), and (e) of this section.

(c) Affiliations

(1) In general

Except as provided in paragraph (2), no State may, by statute, regulation, order, interpretation, or other action, prevent or restrict a depository institution, or an affiliate thereof, from being affiliated directly or indirectly or associated with any person, as authorized or permitted by this Act or any other provision of Federal law.

(2) Insurance

With respect to affiliations between depository institutions, or any affiliate thereof, and any insurer, paragraph (1) does not prohibit—

(A) any State from—

(i) collecting, reviewing, and taking actions (including approval and disapproval) on applications and other documents or reports concerning any proposed acquisition of, or a change or continuation of control of, an insurer domiciled in that State; and

(ii) exercising authority granted under applicable State law to collect information concerning any proposed acquisition of, or a change or continuation of control of, an insurer engaged in the business of insurance in, and regulated as an insurer by, such State;

during the 60-day period preceding the effective date of the acquisition or change or continuation of control, so long as the collecting, reviewing, taking actions, or exercising authority by the State does not have the effect of discriminating, intentionally or unintentionally, against a depository institution or an affiliate thereof, or against any other

person based upon an association of such person with a depository institution;

(B) any State from requiring any person that is acquiring control of an insurer domiciled in that State to maintain or restore the capital requirements of that insurer to the level required under the capital regulations of general applicability in that State to avoid the requirement of preparing and filing with the insurance regulatory authority of that State a plan to increase the capital of the insurer, except that any determination by the State insurance regulatory authority with respect to such requirement shall be made not later than 60 days after the date of notification under subparagraph (A); or

(C) any State from restricting a change in the ownership of stock in an insurer, or a company formed for the purpose of controlling such insurer, after the conversion of the insurer from mutual to stock form so long as such restriction does not have the effect of discriminating, intentionally or unintentionally, against a depository institution or an affiliate thereof, or against any other person based upon an association of such person with a depository institution.

(d) Activities

(1) In general

Except as provided in paragraph (3), and except with respect to insurance sales, solicitation, and cross marketing activities, which shall be governed by paragraph (2), no State may, by statute, regulation, order, interpretation, or other action, prevent or restrict a depository institution or an affiliate thereof from engaging directly or indirectly, either by itself or in conjunction with an affiliate, or any other person, in any activity authorized or permitted under this Act and the amendments made by this Act.

(2) Insurance sales

(A) In general

In accordance with the legal standards for preemption set forth in the decision of the Supreme Court of the United States in *Barnett Bank of Marion County N.A. v. Nelson*, 517 U.S. 25 (1996), no State may, by statute, regulation, order, interpretation, or other action, prevent or significantly interfere with the ability of a depository institution, or an affiliate thereof, to engage, directly or indirectly, either by itself or in conjunction with an affiliate or any other person, in any insurance sales, solicitation, or crossmarketing activity.

(B) Certain State laws preserved

Notwithstanding subparagraph (A), a State may impose any of the following restrictions, or restrictions that are substantially the same as but no more burdensome or restrictive than those in each of the following clauses:
